Amount and Source of Funding

Ongoing	One-Time	FTEs	Source of Funds
	\$1,000,000	n/a	Additional tax revenue

Additional Information

An additional \$1 million infusion to the Arts and Culture Nonprofit Relief Grant fund is necessary to provide sufficient relief to Austin's arts and culture organizations that have been significantly impacted by the ongoing pandemic. In the initial round of funding, 218 organizations applied and 100 received grants. \$1 million would provide 50 additional organizations with funding and because the applications are already filed could be distributed very quickly.
